

PREFACE

This Report presents a comprehensive perspective of **Kalinga Nagar-K4**, Bhubaneswar, **Geo-referencing Plotting Scheme Survey** of the Plot, Road, Public utilities and Encroachment. The Survey at **Kalinga Nagar, K-4** was conducted as a collaborative Pilot project with **Bhubaneswar Development Authority**. The objective of the Pilot project was to survey and to identify the land use and whether encroached or not, if encroached then the type of encroachment such as permanent or temporary, residential or commercial. These information will help **Bhubaneswar Development Authority** to have effective and efficient monitoring of land-use at Kalinga Nagar,K-4, Bhubaneswar.

The report documents the effort made by **Innovadors Lab** to successfully accomplish the above stated objective.

Innovadors Lab extends its appreciation to **Bhubaneswar Development Authority (BDA)**, Bhubaneswar, and Odisha for awarding this pilot project to us. We also acknowledge Survey division of Bhubaneswar Development Authority (BDA) for sharing of the relevant data. We are looking forward to more opportunities in this perspective to build up a long term association with BDA.
